Exploring  
M.D. Anderson's Special Collections  
with Department Chair  
Christian D. Kelleher

Join Christian as he guides us through rare books, archives, manuscripts and artifact collections at the University of Houston Libraries. He will focus on strategies for discovery and the ways collections are used for genealogical research and original scholarship. For a complete description of the topics to be discussed, and Christian D. Kelleher, visit [HGFTX.org](http://HGFTX.org)
